- (a) The phrase "veterinary practice" or "veterinary medical practice" shall be deemed to be the delivery of veterinary medical services by a licensed veterinarian through a sole proprietorship or a legal entity authorized by law to engage in the delivery of veterinary medical services.
- (b) Veterinary practice may be by sole proprietors, partnerships, or duly registered professional corporations, limited liability companies, or limited liability partnerships. Only licensees may form a partnership or other entities described herein authorized for the practice of veterinary medicine. Partnerships of registered corporations are not permitted.
- (c) No professional corporation may practice or offer to practice veterinary medicine unless it complies with G.S. 55B-10. No professional corporation may do any act which individual licensees are prohibited from doing, and every professional corporation practicing veterinary medicine shall be subject to the disciplinary powers of the Board as prescribed in G.S. 90-187.8 and Rules .0205, .0206, .0207 and .0208 of this Section as well as all other rules of the Board pertaining to individual or partnership practice.

21 NCAC 66 .0202 NAME OF PRACTICE

- (a) The adoption or use of a name for the entity authorized by law through which the licensed veterinarian practices and delivers veterinary services shall have prior Board approval in order to avoid duplication or confusion of names and to prevent use of names which might be misleading. No proper names of persons other than licensees may be included in the name. If the veterinary medical practice uses the name or names of the veterinarians owning or operating the facility in the name of the practice, the name shall conform to the requirements of G.S. 90-181.1(c), and Board approval shall be obtained prior to the use of that name. The use of the word "facility" is not required in the name of those facilities offering the services described in G.S. 90-181.1(b)(2) and (b)(3) unless required by the context for clarification.
- (b) A facility where the practice of veterinary medicine is conducted shall use in its name one of the descriptive terms as set forth in G.S. 90-181.1(b), or descriptive terms that are substantially equivalent, in a manner so as to accurately inform the public of the levels of service offered at the facility.

- (a) Upon written application, the Board may issue a veterinary faculty certificate to a faculty member in the College of Veterinary Medicine at North Carolina State University which certifies that the holder thereof is exempt from the requirements of licensing under G.S. 90-187.10(3). To be a faculty member in the College of Veterinary Medicine,

the faculty member shall be a graduate of a "recognized school of veterinary medicine" as defined by the American Veterinary Medical Association and a member of the faculty or staff of the College of Veterinary Medicine. The faculty member's certificate shall indicate that the holder is exempt from the requirements for licensing provided that the practice of veterinary medicine is confined to the faculty member's duties in the hospital or field service unit of the College of Veterinary Medicine. Such exemption certificate shall automatically expire when the holder's relationship is terminated with the school and university.

(b) Upon written application, the Board may issue a zoo veterinary certificate in lieu of the license that otherwise would be required by G.S. 90-187.10 to a veterinarian not licensed by the Board who is employed by the North Carolina State Zoo. The requirements for and criteria governing the zoo veterinary certificate shall be the same as for the faculty certificate, to the extent applicable and practical. In determining whether to issue a zoo veterinary certificate, the board shall, in addition, consider the applicant's zoo employment history, the applicant's job description and duties with the N.C. State Zoo, and the reasons the applicant seeks exemption from the licensure requirements for veterinarians.

(c) The request for either the faculty certificate or zoo veterinary certificate shall be in writing upon application form furnished by the Board. All fees for issuance, renewal, re-instatement, as well as criteria for continuing education and discipline shall be as set forth in Article 11, G.S. 90 and the rules of the Board. The zoo veterinary certificates shall be annually renewed each calendar year, and the faculty certificates also shall be for the duration of one year, but the Board may determine a beginning date other than January 1 if necessary to conform to academic appointments or the academic calendar of the College of Veterinary Medicine.

(d) The Board may consider a written application for a faculty certificate by a person who is a graduate of a "recognized school of veterinary medicine" as defined in Paragraph (a) of this Rule and who is a member of the faculty or staff of a college or university in this State other than the College of Veterinary Medicine of North Carolina State University, provided that the application sets forth the qualifications of the faculty member; the reasons that the faculty member seeks to be exempt from the requirements for licensing as a veterinarian in North Carolina, and the duties of the faculty member at the college or university where he or she is employed. A faculty certificate shall be issued under this Paragraph if the applicant shows to the satisfaction of the Board that his or her duties as a faculty member involve the practice of veterinary medicine at the college or university and that there are valid reasons that the applicant should be exempt from the licensure requirements for veterinarians. If a faculty certificate is issued under this Paragraph, all other application requirements, fee requirements, and expiration conditions apply it as to those issued to faculty members at the College of Veterinary Medicine at North Carolina State University.

If the veterinarian or veterinary technician submits evidence of failure to complete continuing education due to debilitating injury or illness or hardship, the Board shall consider the evidence submitted on a case-by-case basis. If the Board finds that the debilitating injury or illness or hardship was the basis for non-compliance with the continuing education requirement, the Board shall exempt that individual from completing the unearned portion of the continuing education for that renewal period.

Board approval for continuing education credits for such additional courses, presentations, or materials shall be obtained prior to attendance or participation; however, the Board shall waive the requirement of prior approval if illness, injury, or natural disaster prevented the individual from obtaining the prior approval.

- (6) Subject to the limitations in this Rule, continuing education credit hours may be earned by:
 - (a) attendance at in-person courses or presentations;
 - (b) completion of independent self-study courses;
 - (c) non-interactive on-line presentations, courses or materials; or

Up to 50 percent of the CE requirement for renewal may be obtained from live interactive on-line presentations or courses approved by approved continuing education credit providers. However, the number of credit hours earned from live interactive on-line presentations or courses shall be reduced by the number of credit hours earned from independent self-study courses or materials and non-interactive on-line presentations or courses. A live interactive on-line presentation or course shall:

(b) The accused party shall respond to the charges by filing a written answer with the Board within 20 days of the receipt of the notification of charges.

(c) The complaining party shall be provided with a copy of the accused party's answer and within 20 days from receipt thereof shall file a reply to the accused party's answer.

(d) The charges as filed with the Board, the answer and reply may be referred to the Committee on Investigations (hereinafter referred to as "Committee"). The Committee shall consist of three members of the Board, one of whom shall serve as chairman.

(e) The Committee shall investigate the complaint referred to it by the Board and as part of the investigation may:

- (1) Assign the complaint to the Board's investigator who shall submit a written report to the Committee.
- (2) Invite the complaining party and the accused party before the Committee to receive their oral statements, but neither party shall be compelled to attend.
- (3) Conduct any other type of investigation as is deemed appropriate by the Committee.

(f) Upon the completion of the investigation, the Committee shall determine whether or not there is probable cause to believe that the accused party has violated any standard of misconduct which would justify a disciplinary hearing based upon the grounds as specified in Article 11 of Chapter 90 of the North Carolina General Statutes or this Chapter.

(g) If probable cause is found, the Committee shall direct the legal counsel for the Board to file a Notice of Hearing.

(h) If probable cause is found, but it is determined that a disciplinary hearing is not warranted, the Committee may issue a reprimand to the accused party. A statement of such reprimand shall be mailed to the accused party. Within 15 days after receipt of the reprimand, the accused party may refuse the reprimand and request that Notice of Hearing be issued pursuant to Chapter 150B of the North Carolina General Statutes or this Chapter. Such refusal and request shall be addressed to the Committee and filed with the Executive Director for the Board. The legal counsel for the Board shall thereafter prepare and file a Notice of Hearing. If the letter of reprimand is accepted, a record of the reprimand shall be maintained in the office of the Board.

(i) If no probable cause is found, the Committee shall dismiss the charges and prepare a statement of the reasons therefore which shall be mailed to the accused party and the complaining party.

(j) If no probable cause is found, but it is determined by the Committee that the conduct of the accused party is not in accord with accepted professional practice or may be the subject of discipline if continued or repeated, the Committee may issue a letter of caution to the accused party stating that the conduct, while not the basis for a disciplinary hearing, is not professionally acceptable or may be the basis for a disciplinary hearing if repeated. A record of such letter of caution shall be maintained in the office of the Board.

(k) A Board member who has served on the Committee is deemed disqualified to act as a presiding officer or member of the Board assigned to render a decision in any administrative disciplinary proceeding brought pursuant to a Notice of Hearing for which that member has sat in an investigative capacity as a member or chairman of the Committee.

(l) The Board may assess and recover against persons holding licenses, limited licenses, temporary permits, faculty certificates, Zoo veterinary certificates or any certificates of registration issued by the Board, costs incurred by the Board for the following expenses, respectively, that have been incurred by the Board in the investigation, prosecution, hearing or other administrative action in final decisions or orders where those persons are found to have violated the Veterinary Practice Act or Administrative Rules of the Board:

- (1) legal expenses, including reasonable attorney fees, incurred by the Board; and
- (2) witness fees and statutorily-allowed expenses for witnesses; and
- (3) direct costs of the Board in taking or obtaining of depositions of witnesses; and
- (4) costs incurred by reason of administrative or staff time of employees of the Board directly attributable to the action leading to the final decision or order.

The costs assessed may be assessed pursuant to final decision or orders entered with or without the consent of the person holding the respective license, registration permit or certificate; no costs referred to in this Paragraph shall be assessed against a person holding a respective license, permit registration or certificate for an investigation or action in the nature of disciplinary action other than a final decision or order of the Board, unless and except expressly consented to by said person in a Consent Order approved by the Board.

(m) A civil monetary penalty of up to five thousand dollars (\$5,000) for each violation of Article 11, G.S. 90 or Board rule may be imposed and collected from a person holding a license (the word "license" is as defined in G.S. 90-187.8(a)) upon a finding by the Board of the relevant factor or factors in G.S. 90-187.8(b)(1) through (6). With respect to this subsection, the phrase "violation of Article 11, G.S. 90 or Board rule" shall be deemed to mean Article 11, G.S. 90, the Veterinary Practice Act, or the rules of the Board, and shall include final decisions, orders, and consent orders, letters of reprimand and other permitted disciplinary actions, but it expressly excludes letters of caution issued by the Board.
