State of North Carolina
Department of the Secretary of State

ELAINE F. MARSHALL
SECRETARY OF STATE

NOVEMBER 2019

Each year, as we embark on the season of giving, the North Carolina Department of the Secretary State issues the Charitable Solicitation Licensing Division's Annual Report. The Annual Report includes financial information related to charities and nonprofits using a professional fundraiser and otherwise required by law to register with the Department of the Secretary of State.

Charities netted a bigger portion of donations recorded during the reporting period from period of July 1, 2018 through June 30, 2019. North Carolinians responded to solicitations from professional fundraisers with total donations in the amount of \$43,614,583.86. While that total charts a \$1.8 million decline from the gross receipts collected in 2017-2018, the amount actually going to charities' good works as opposed to fundraising or administrative overhead costs rose by nearly four percent, with an average 74.29% return to charities.

National solicitation campaigns that included North Carolina citizens which were reported to our office saw a significant increase in the percentage of donations being netted for charitable programming. Out of the \$851,160,942.82 donated, \$637,461,004.68 went to the charities for an aggregate percentage of 74.89% – an increase of 13.43% from 2017-2018.

As North Carolina's top regulator for charitable solicitations, I am proud to say we are focused on protecting the State's giving public and providing the data to assure you can make informed decisions with your charitable dollars. I hope you will find the information included in this Report to be a valuable resource for you. I commend and thank North Carolina's giving public for its continued generosity that is felt in the hearts of our communities all across the state.

Yours truly,

A handwritten signature in cursive script that reads "Elaine F. Marshall".

Section One:

Executive Summary of Professional Solicitor Activities

The Executive Summary serves as an overview of the percentage of contributions charities receive from professional fundraisers. This information has been entered from final accounting reports filed by the fundraisers with the Charitable Solicitation Licensing Division. Some final accounting reports filed with the Department reflect planned giving campaigns that may not immediately realize results.

This section of the Annual Report reflects two significantly different sets of data. The first set of data reflects reported solicitation activities and contributions solely from North Carolina citizens. The second set of data in this section reflects data reported for national solicitation campaigns that include North Carolina citizens. Individual final accounting reports provided by a filing organization should be consulted to obtain the most complete and thorough information.

To make the report the most useful to consumers it is provided in two versions. One is sorted by solicitor name and the other by charity name.

To obtain a copy of a final accounting report on record with the Charitable Solicitation Licensing Division, go to www.sosnc.gov, click on "Division", and then under "Charities" click on "Search Our Registry." In the Search box, enter the name of the professional solicitor whose financial information you seek. Once the "Search Results" page appears, scroll down, and under "Filings", click on "Campaign Final Reports". Go to the most recent year's filings by scrolling down to the last document, click on the "Doc ID Number. If a final accounting report is on file, it will appear in the filing under the title "Final Accounting." You will be able to view a PDF version of the final accounting report on file with the Department.

(Note: The information in this section does not include data representative of staff level fundraising professionals employed directly by charitable organizations in the State.)

Total Number of Charitable Organizations: 8129

Section Three:

Exempt Organizations

North Carolina General Statute Chapter 131F provides for a number of exemptions from the licensure. To obtain an exemption, a charitable or sponsor organization may submit to the Department a written request for exemption with supporting documentation. Upon approval of the exemption request, the charitable organization will receive a letter of exemption from the Department. A charity may be exempt, but not be included in this Registry if it has not requested an exemption from the Department. The Department has the authority to review and/or cancel an exemption at any time for good cause.

The following entities are exempt under the provisions of Chapter 131F-3. The following report of exempt organizations on file with the Department includes a column labeled “Exempt No.” The numbers in that column correspond to the exemptions listed below.

- 131F-3(1) Any person who solicits charitable contributions for a religious institution.
- 131F-3(2) Solicitation of charitable contributions by the federal, State, or local government, or any of their agencies.
- 131F-3(3) Any person who receives less than twenty-five thousand dollars (\$25,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fund-raiser, or solicitor.
(Note: This exemption requires an annual review of an organization’s financial information by the Department.)
- 131F-3(4) Any educational institution, the curriculum of which, in whole or part, is registered, approved, or accredited by the Southern Association of Colleges and Schools or an equivalent regional accrediting body, and any educational institution in compliance with Article 39 of Chapter 115C of the General Statutes, any foundation or department having an established identity with any of these educational institutions, and any organization with a membership that is composed solely of 20 or more educational institutions as defined in this Chapter.

Exemptions under 131F Continued

- 131F-3(5) Any hospital licensed pursuant to Article 5 of Chapter 131E or Article 2 of Chapter 122C of the General Statutes and any foundation or department having an established identity with that hospital if the governing body of the hospital, authorizes the solicitation and receives an accounting of the funds collected and expended.
- 131F-3(6) Any noncommercial radio or television station.
- 131F-3(7) A qualified community trust as provided in 26 C.F.R. § 1.170A-9(e)(10) through (e)(14).
- 131F-3(8) A bona fide volunteer or bona fide employee or salaried officer of a charitable organization or sponsor.
- 131F-3(9) An attorney, investment counselor, or banker who advises a person to make a charitable contribution.
- 131F-3(10) A volunteer fire department, REACT (Radio Emergency Associated Communications Teams), rescue squad, or emergency medical service.
- 131F-3(11) A Young Men's Christian Association or a Young Women's Christian Association.
- 131F-3(12) A nonprofit continuing care facility licensed under Article 64 of Chapter 58 of the General Statutes.
- 131F-3(13) Any tax exempt nonprofit fire or emergency medical service organization involved in the sale of goods or services that does not ask for a donation.

(Note: Some organizations in this list have an "SL" number in the License column rather than an "EX" number. This indicates the organization at one time had a charitable license but now qualifies for an exemption under N.C.G.S. § 131F.)

Organizations Exempt Under 131F-3(3)

131F-3(3) Any person who receives less than twenty-five thousand dollars (\$25,000) in contributions in any calendar year and does not provide compensation to any officer, trustee, organizer, incorporator, fund-raiser, or solicitor. *(Note: This exemption requires an annual review of an organization's financial information by the Department.)*

The exemption granted under N.C.G.S. §131F-3(3) is based on annual financial information submitted by the organization. As a result, an organization's qualification for this exemption can vary from year to year, depending on fluctuations in the organization's contributions received. The organizations listed in this section of the report provided financial information documenting they qualified for the 131F-3(3) exemption in the 2018-2019 year covered by this Report.

Section Four:

Professional Fundraisers Registered in North Carolina to Act on Behalf of Charitable or Sponsor Organizations

A professional fundraiser generally is a person or organization that is paid by a charitable or sponsor organization to raise money on the charity's behalf. The for-profit business usually arranges a flat fee or charges the charity a percentage of the donations collected on the charity's behalf.

(Note: The information in this section does not include data representing fundraising/development staff members employed directly by charitable organizations. This data includes only fundraising professionals that are contracted by charitable or sponsor organizations and are not members of the charity's staff.)

The Charitable Solicitation Licensing Division maintains a registry of professional fundraisers licensed to act on behalf of organizations soliciting North Carolina residents using a charitable or civic appeal. There are two types of professional fundraisers defined by N.C.G.S. §131F.

A **Fundraising Consultant** is a professional who is paid to advise a charity or sponsor organization on its fundraising activities, but does not solicit contributions directly and does not at any time have custody or control of contributions.

A **Solicitor** is any person who, for compensation, does not qualify as a fundraising consultant and either: 1) performs any service, including the employment or engagement of other persons or services, to solicit contributions for a charitable organization or sponsor, or 2) plans, conducts, manages, consults, whether directly or indirectly, in connection with the solicitation of contributions for a charitable organization or sponsor. A solicitor in North Carolina is required to obtain a bond with a surety authorized to do business in North Carolina and to which the solicitor is the principal obligor.

The following list of those professional fundraisers who have a current license to conduct business with charities or sponsor organizations in North Carolina is divided into two sections: 1) Fundraising Consultants, and 2) Solicitors.

Contracts Submitted by Solicitors Conducting Solicitation Campaigns in North Carolina

Solicitors are required to file with the Department a copy of each contract with a charitable or sponsor organization along with a Final Accounting Report for the solicitation campaign.

The following is a list of submitted contracts indicating the fixed percentage of gross revenue the charitable organization will receive as a benefit from the campaign, or a reasonable estimate of the percentage of the gross revenue the charitable organization will receive as a benefit from the campaign, or the guaranteed minimum percentage of the gross revenue the charitable organization will receive as a benefit from the campaign.

In some cases, a charity has entered into more than one contract with the same solicitor in the time period covered in this report. In this instance, the reader will see multiple entries for the charity and the solicitor; however, the details of the contract may vary.

Section Six:

Charitable or Sponsor Organizations Filing an Optional Audited Financial Statement

Audited financial statements are not a requirement under N.C.G.S. §131F; however, they are strongly recommended. Such statements provide the public with a wealth of information that can be used to make knowledgeable and informed giving decisions. The Department includes in the Annual Report a list of those charitable or sponsor organizations opting to submit an audited financial statement or an audit with opinion prepared by an independent Certified Public Accountant.

To obtain a copy of an audited financial statement on record with the Charitable Solicitation Licensing Division, go to www.sosnc.gov, click on “Divisions”, and then under “Charities” click on “Search Our Registry.” In the Search box, enter the name of the Organization whose financial statement you seek. Once the “Search Results” page appears, under “Action”, click on the folder symbol to access the file. Go to the most recent year’s filings and click on the folder icon. If a financial statement is on file, it will appear in the filing under the title “Audit.” You will be able to view a PDF version of the financial statement or audit on file with the Department.

Section Seven:

Enforcement Report

A function of the Charitable Solicitation Licensing Division (CSL) of the North Carolina Department of the Secretary of State is to enforce the Charitable Solicitation Act found at Chapter 131F of the North Carolina General Statutes and the related Rules found in Chapter 11 of Title 18 of the North Carolina Administrative Code. Enforcement actions are taken on behalf of the citizens of North Carolina in the public interest. In response to internal leads and concerns and inquiries from the public and the media, the CSL Enforcement Section conducts investigations to determine whether violations of the Charitable Solicitation Act and relevant Rules have occurred. Areas of investigation include, but are not limited to, appropriate public disclosure of a charitable solicitation; how charitable organizations and the professional fundraisers they employ solicit charitable contributions; solicitations made by charitable organizations without a valid, current license; contractual relationships entered into by unlicensed professional fundraisers; and whether solicited funds are being used for the purpose(s) represented by the charity and expected by the public.

This section of the Annual Report includes the following information for the current reporting period: (1) overall investigation statistics for the Enforcement Section that includes the number of complaints per violation received by the CSL Division, (2) a grid outlining possible statutory violations, with a summary of CSL enforcement actions completed, and the current status of investigated organizations, and (3) a summary of the number of enforcement compliance actions concluded.

§ 131F-2. Definitions.

The following definitions apply in this Chapter:

- (1) "Association" means any voluntary statewide organization of persons for common ends especially as in an organized group working together or periodically meeting because of common interests, beliefs, or professions. These associations may serve charitable organizations including environmental, health, educational, humane, patriotic, scientific, artistic, social welfare, and civic.

The court may also order the person to produce a financial statement that has been audited by an independent certified public accountant. Costs incurred by the Department to obtain an order granting, in whole or in part, a petition for enforcement of a subpoena or subpoena duces tecum shall be taxed against the subpoenaed person and failure to comply with the order shall be contempt of court.
